We are delighted that you have chosen Asheville Women's Medical Center, P.A. as your health care provider. We appreciate the opportunity to serve you and are committed to your treatment and well-being. In an effort to reduce your wait time in the office, we have enclosed our patient information forms for you to complete and bring with you to the office on the day of your appointment. In addition to these information forms, please bring your current insurance card as well as a picture ID.

As a courtesy, we will file an insurance claim for you. However, you will be responsible for making your co-payment and/or deductible payment on the day of your appointment. Members of managed care plans need to obtain the appropriate authorization from their primary care physician if necessary. If you do not have insurance coverage, you are expected to pay for your visits at the time of each appointment. If you need to make financial arrangements prior to your appointment, please call our financial counselor at 258-9191 ext 314.

Please bring any pertinent medical records from other physicians with you to your visit, along with a complete list of all current medications. Patients having a mammogram will need to have any previous films sent to us.

Please notify us at least 24 hours in advance if you cannot keep your scheduled appointment. Our office will call to confirm your ability to keep your scheduled appointment one week prior. If you fail to confirm through the automated system or to call at least 24 hours prior to that appointment, you will be charged a $25 fee. Please be aware that if you fail to come in for your appointment, or do not give at least 24 hours of cancellation, we may not be able to reschedule your appointment for a future date.

We look forward to seeing you soon. In the meantime, do not hesitate to call me directly if you have any questions. You can feel confident that the doctors and staff of Asheville Women's Medical Center will provide the care you need and deserve.

Cancellation and Missed Appointment Policy

Our goal is to provide quality individualized medical care in a timely manner. "No-shows" and late cancellations inconvenience those individuals who need access to medical care in a timely manner. We would like to remind you of our office policy regarding missed appointments. This policy enables us to better utilize available appointments for our patients in need of medical care.

Cancellation of an Appointment:

In order to be respectful of the medical needs of other patients, please be courteous and call Asheville Women's Medical Center promptly if you are unable to keep an appointment. This time will be reallocated to someone who is in need of treatment. If it is necessary to cancel your scheduled appointment, we require that you call 828-258-9191 at least 24 hours in advance. Appointments are in high demand, and your early cancellation will give another person the possibility to have access to timely medical care.

Last Minute Cancellations:

A late cancellation is considered when a patient fails to cancel their scheduled appointment with 24-hour advance notice.

No Show Policy:

A "no-show" is someone who misses an appointment without cancelling it in an adequate time frame and manner. A failure to be present at the time of a scheduled appointment will be recorded in your medical record as a "no-show."

- First missed appointment: $25 fee will be billed to your account
- Second missed appointment: $50 fee will be billed to your account
- Third missed appointment: $50 fee will be billed to your account and you may be discharged from our practice.

Please sign and date below indicating that you have read and agree to this policy.
